GENERAL INFORMATION

The 2025 ASOA Annual Meeting: Learning

Featuring exceptional education within a nurturing, comfortable environment, this meeting transforms the educational experience into an extraordinary peer-to-peer knowledge-sharing event. Attendees consistently rank the American Society of Ophthalmic Administrators (ASOA) programming as best in class. The hands-on learning opportunities, interactive session formats, and the depth of topic coverage provide attendees a rich, expansive learning experience that yields insights and information to improve business practices and the patient experience from beginning to end.

ASOA empowers ophthalmic leaders to elevate the business of ophthalmology through education, innovation, support, and collaboration. This year, ASOA offers more than 80 educational courses covering an array of topics essential to effective practice management. These topics include coding, reimbursement, leadership and strategic management, human resources, marketing, business operations, retina, and many other strategies for successful practice management. This Preview Program lists courses by knowledge pathway, allowing attendees to easily see at a glance all the courses in a knowledge pathway. This design also provides practice leaders with an effective way to educate staff on topics that directly affect their work.

ASOA & Technicians & Nurses Program: Joint Registration

The 2025 meeting offers a joint registration category for those interested in attending both the ASOA and Technicians & Nurses Programs. Crossover is easy because the programs are just steps away from each other. Crossover between the ASOA Annual Meeting and Technicians & Nurses Program is only permitted for those registered in the joint registration category.

Handouts

Course handouts for the ASOA Annual Meeting will be provided via the ASCRS ASOA Meetings app and online beginning in April 2025. To properly plan and prepare,

please print or download the handouts in advance for the sessions you plan to attend. Printing of handouts will NOT be available onsite.

REGISTRATION CATEGORIES

ASOA Member/Nonmember

Practice administrator or other practice management staff, ASOA consultant and vendor members. Physicians cannot register in this category.

Industry Representative

Manufacturers and other corporate personnel who do not have exhibit space but wish to attend the Annual Meeting. No solicitation is permitted. This includes attendees who plan on attending the Exhibit Hall only. Physicians may not register in this category.

Spouse/Partner

Guests 21 years of age and over are required to pay a registration fee. This badge is limited to a spouse, guest, relative, or other individuals accompanying an ASOA attendee. Members, potential members, speakers, or staff will not be considered under the guest registration category. Physicians may not register in this category. Entrance into sessions/courses is not included.

ASOA GENERAL SESSIONS

ASOA GENERAL SESSIONS

FRIDAY, APRIL 25

1:30-2:30 p.m.

Hot Topics Panel

Join a panel of experienced administrators to talk about what YOU want to talk about. Topics will be decided by the audience during the session so come prepared with topics suggestions!

4:00-6:00 p.m.

Aii: Adoption. Integration. Implementation

A comprehensive framework designed to help ophthalmic practices effectively embrace new technologies, processes, and strategies. The Aii program emphasizes creating a **blueprint for success** tailored to each practice's unique needs, focusing on critical stages: **adopting** new products, technologies, systems, and tools, **implementing** them for sustained results, and **integrating** them seamlessly into existing practice workflows.

SATURDAY, APRIL 26

8:30-10:00 a.m.

Employalty: How to Ignite Commitment and Keep Top Talent in the New Age of Work Speaker: Joe Mull

The employee revolution is here. As workers everywhere quit, retire, or change jobs, do you really understand what leads ordinary people to become dedicated employees? In this compelling program, leadership and retention expert Joe Mull dispels the pervasive myths that are hindering hiring (hint: it's not all about money, and it's absolutely false that "no one wants to work") and shares the three factors that determine whether someone will join your organization, stay long term, and commit to doing great work. Participants will leave with a simple yet powerful framework for turning organizations into destination workplaces that meet the needs and values of a changed workforce.

Sponsored by  **dedicated IT**

ASOA Feature Sessions

This is a selection of sessions curated by the ASOA Annual Meeting Program Committee to address the highest points of interest and needs based on your feedback and the current state of industry. Topics will include a **beginner bootcamp**, an **advanced masterclass on finance**, a session on **practice culture**, and a panel on **customer service** on patient access.

Business of Interventional Glaucoma

The **Business of Interventional Glaucoma** program provides ophthalmology professionals with the tools and strategies needed to effectively manage and grow interventional glaucoma services. Designed for practice administrators, physicians, and clinic staff, the program focuses on optimizing the integration of advanced glaucoma treatments, such as microinvasive glaucoma surgery (MIGS), into clinical operations. It covers topics like financial planning, coding, patient education, and workflow efficiency, empowering practices to deliver high-quality care while achieving sustainable business success in a rapidly evolving field.**

Aii = Adoption. Integration. Implementation.

TECHNICIANS & NURSES PROGRAM

Sponsored by the International Joint Commission on Allied Health Personnel in Ophthalmology (IJCAHPO)

TECHNICIANS & NURSES PROGRAM

GENERAL INFORMATION

The International Joint Commission on Allied Health Personnel in Ophthalmology (IJCAHPO) is pleased to sponsor the Technicians & Nurses Program, April 25–27. IJCAHPO is the international certifying agency for allied ophthalmic personnel. Certification is available at three levels, assistant, technician, and medical technologist, along with subspecialty certifications available for surgical assisting, ultrasound biometrist, diagnostic sonographer, scribe certification, and corporate assistant.

IJCAHPO will also offer the COA Certification Exam Prep Course on Friday, April 25. Registration for the main Technicians & Nurses Program is separate from the Certification Exam Prep Course. Attendees must register and pay a fee separate and independent of the main program. Please contact IJCAHPO for registration and details for these optional programs.

For the Technician & Nurses Program, attendees do not register for each course independently. They can choose to attend individual courses from either of the two sessions each day. There are no individual tickets sold for courses; your badge allows access to any of the courses in this two-track program.

A joint registration category will be available for those interested in attending both the ASOA and Technicians & Nurses Programs. Crossover between the ASOA and Technicians & Nurses Programs will be permitted to those

registered in the joint registration category only. Those registered solely for either the ASOA or Technicians & Nurses Program will not be allowed to cross over. All registrants in either category are welcome to attend the ASCRS Program.

A link to available handouts for the Technicians & Nurses Program will be provided to registrants by IJCAHPO.

Further information regarding the Technicians & Nurses Program, registration for the Certification Exam Prep Courses, and IJCAHPO certification is available by calling IJCAHPO at 800-284-3937 or by visiting jcahpo.org.

Continuing Education Credit

All courses in the Technicians & Nurses Program have been approved for IJCAHPO credits. Select courses are approved for CA BRN credit. A maximum of 15 IJCAHPO credits are available for this in-person program.

Claim IJCAHPO Credits

For the Technicians & Nurses Program, evaluations will be distributed at the beginning of each day and collected at the conclusion of each day. International Joint Commission on Allied Health Personnel in Ophthalmology/California Board of Registered Nursing (IJCAHPO/CA BRN) credits will be processed and claimed directly through IJCAHPO.

The Technicians & Nurses Program has been approved for credit by IJCAHPO and is CA BRN approved for select courses. A maximum of 15 IJCAHPO credits are available for this program.

IJCAHPO is an approved provider by the California Board of Registered Nursing, Provider #13516, for Contact Hours.

All attendees seeking IJCAHPO/CA BRN credits must be registered for the Technicians & Nurses Program or the joint ASOA/Technicians & Nurses Program. Attendees registered as exhibitors or guests may not claim education credits for this program.

This program is sponsored by IJCAHPO.

HOTEL AND TRAVEL INFORMATION

Hotel Reservations

Through our official housing partner, onPeak, we provide reduced hotel rates during the 2025 ASCRS Annual Meeting. To obtain the ASCRS discounted rates at your preferred hotel, we strongly encourage you to make your reservations as soon as possible. Reservations are on a first-come, first-served basis, and hotels with lower rates will sell out quickly.

Reservations can be made through onPeak, and more information can be found at annualmeeting.ascrs.org/plan-your-trip/hotel.

If you need additional assistance or want to make your reservations over the phone, agents can be reached at 800-370-8282 (toll free) or 312-527-7300 (local/international).

Notice: Beware of unauthorized hotels and poachers. The one and only official hotel provider for the ASCRS Annual Meeting is onPeak.

Be careful providing your financial information to any other company claiming to be affiliated with ASCRS. Avoid poachers by booking your hotel at annualmeeting.ascrs.org/plan-your-trip/hotel.

Why Book Through onPeak?

ASCRS negotiates special rates with the most convenient hotels and recognizes that attendees have many options in a variety of rate ranges when making hotel decisions. Please take a few minutes to understand the importance of selecting an official ASCRS hotel.

- ASCRS hotel contracts protect you. Booking within the ASCRS hotel block gives us the opportunity, if the need does arise, to assist you with any hotel problem you may experience while at the meeting. When you choose other hotels or book through a third-party site, we have no way to help rectify a problem or inconvenience that you may encounter.

- There are networking opportunities. Many ASCRS attendees will spend time in the hotel lobby, hotel restaurants, and hotel bars, which allows for more convenient meetings as well as opportunities for chance encounters with colleagues you may not have met otherwise. Should you have any questions, onPeak staff is available to help you by phone at 800-370-8282 or 312-527-7300.

Hotel Acknowledgments

Confirmations will be emailed within 72 hours of receiving your reservation request.

Guarantees and Cancellations

No charges are incurred at the time of booking; however, a payment guarantee in the amount of one night's stay at the confirmed hotel plus current tax of up to 16%* is required to hold your reservation. The hotel will charge payment to the credit card provided at check-in. Please refer to your confirmation for full details on guarantees and cancellation deadlines, which may vary by hotel.

**City and local tax rates are subject to change.*

Suites

Attendees can request information on sleeping suite availability by contacting onPeak. Requests for suites for purposes other than sleeping must go through the ASCRS office. Contact the Exhibits Team at Exhibits@ascrs.org.

Travel

ASCRS has more details and travel information for getting to and from the meeting available at annualmeeting.ascrs.org/plan-your-trip/travel.

Visa Information

For information on visa procedures, visit annualmeeting.ascrs.org/plan-your-trip/international-attendees.
